President's report (Ankur)

- MOD Pizza restaurant night, March 29
- e-waste collection, March 25, 9am-1pm
 - The Wednesday Envelope has a flyer with details on items that are and aren't accepted
- Spring Fling, April 19, 1-4pm
 - We'll have carnival games, a silent auction, and teacher raffles
 - Need parent volunteers before 1pm and then after 4pm to help with setup and cleanup
 - Silent auction: need help sourcing items to auction (e.g. gift cards, lessons).
 - Question: last time the silent auction was held in a tucked-away area where not many people knew it was happening. Will it be different this time and will there be a heads up on what items will be auctioned ahead of time?
 - We'll definitely be hosting it in a more central area this year
 - We can share the auction items earlier
 - Alcohol can be auctioned, but can't be on the school site
 - We don't generally have big-ticket items; mostly lots of gift cards - the more the better
- Vote to approve [Feb. 15 meeting notes](#)
 - Result: Approved
- Need someone to lead the fundraising efforts for next year's 5th Grade Science Camp
- Other volunteers needed:
 - Board positions for next school year
 - ABC Reader & Art in Action leads:
 - These require some up-front work and then minimal work through the year
 - Calling for and coordinating volunteers, making sure the art supplies and books are ready and accessible to volunteers
 - ABC Reader has one training course at the start
 - Spring Fling
 - Staff appreciation - need parents for setup and cleanup on one day during Teacher Appreciation Week
 - Book fair - volunteers to process sales on the day
 - Scrip gift cards are still for sale at the office

Treasurer's report (Doron)

- See [slides](#) for details

Principal's report

- Parent education event on growth mindset, March 28 at 6 p.m. - please RSVP. Will provide babysitting for kids who are toilet-trained and older.
- 3/4/5th grade state testing May 1-19 (SBAC, or [Smarter Balanced Assessment System](#)) - 2 weeks of testing for 3rd & 4th grades, 3 weeks of testing for 5th grade. Important for students to be at school and in good mindset; e.g. recommend not scheduling doc/dentist appointments during this time
- RAFT truck coming back in May (stands for Resource Area for Teachers)
- School play this year, called "Press Start!"
 - April 27, at 4pm and 6pm
 - Tickets are free with RSVP
 - Dress rehearsal is during school day so all students have a chance to see the show
